

SEQUENCING OF EVENTS IN THE SLAVE NARRATIVE OF HENRY "BOX" BROWN

STUDENT HANDOUT 3: IDENTIFYING THE CRITICAL EVENTS

What Chapter is your Group Assigned? _____

What are the critical events in this chapter? Identify and write down the 10-15 most important events that occur in this chapter. Try to capture the major events and actions in your list. Consider looking for action words (verbs) to help identify these significant events. The Reporter for your group will be sharing these events with the class, so be sure to identify and list the events that will best tell the story of your assigned chapter. Be sure to list the events in the order in which they occur in the chapter. You should use another piece of paper to write down all of the events that you think are important first. After you have narrowed the events down to 10-15, the Recorder for your group should list them on this sheet.
